Call for Applications Feminist Green Action Award

ActionAid Bangladesh is excited to announce the launch of the Feminist Green Action Award, a new initiative to recognise and celebrate businesses that have demonstrated leadership in promoting a feminist based approach to green transition through their work.

About the Award

ActionAid Bangladesh has been a leader in promoting climate justice, focusing on supporting marginalised communities with climate adaptation, resilience, and mitigation. Through a commitment to human rights-based approaches and feminist leadership, we envision a green transition that prioritises justice and inclusivity.

The Feminist Green Action Award celebrates corporate houses and SMEs advocating for this vision. With Bangladesh already a global leader in green garment production, this award encourages further adoption of sustainable, gender-responsive practices, contributing to a more equitable and sustainable future.

Award Objectives

- ✦ Recognise private sector entities leading the green transition.
- ✦ Motivate businesses to adopt green policies, processes, and production models with a focus on gender equity.
- ✦ Exhibit best practices in the corporate world through a green transition lens.

Submission Criteria

- The award will be granted to corporate houses and SMEs who can provide concrete evidence in the form of photos, reports and other documents that exhibit how their work has incorporated the following agenda or plans to in the future:
 - ✦ Sustainable operations, production, and supply chains.
 - ✦ Environmentally friendly infrastructure.
 - ✦ Innovation with a focus on sustainability and gender responsiveness.
 - ✦ A commitment to creating green jobs and skills in line with just transition principles.

Eligibility

This award is open to SMEs and private sector businesses of all sizes. Each year, two entities will be selected: one from the corporate house category and one from the SME category. Women-led businesses will be given priority on alternate years.
