

# International Women's Day Celebration 2025

## #ForAllWomenAndGirls

ActionAid Bangladesh is committed to ensuring gender equality and promoting women's empowerment by advocating for the implementation of feminist policies. With support from UNHCR, UN Women and WFP we celebrated **International Women's Day (IWD)** on 8th March 2025, in the Rohingya refugee camps. Through advocating for women, the event promoted gender equality and created more awareness for men and boys to build a more inclusive society.
